

PODCAST ONE SHEET

Michael Beck is an executive coach, a business strategist, and an author. As president of Eliciting Excellence, a firm specializing in executive coaching and the development of leaders, he works with leaders to improve their interpersonal skills, sharpen their strategic thinking, and enhance their judgment.

Michael's credentials include an MBA in Finance from the Wharton School of Business along with an MS in Structural Engineering from the University of Pennsylvania. He has delivered over 100 talks, webinars and podcasts on the topics of leadership, productivity, and success principles to corporate, local, regional, and national audiences. Michael is the author of the highly rated leadership book, "*Eliciting Excellence*", and has been a contributor to a variety of national and international publications.

Podcast Topics:
